NOTICE: When people recognize what Team Law has already done to secure our Land, Liberty, Property and to reseat our nation's original jurisdiction government, etc., they find Team Law worthy of their support and make donations to support Team Law. When those donations are $695.00 or more Team Law grants the donor the privilege of nominating the next Team Law Beneficiary (a living man, woman or child, other than the donor (or their: GP, alter ego, etc.)). Team Law then grants a lifetime Beneficiary Endowment to the nominee. Most Team Law supporters donate $695.00 or more. When donations are $945.00 or more, we grant the donor the privilege of nominating a family for a Team Law Beneficiary Endowment. Team Law Beneficiary Family Endowments cover a Husband and/or a Wife and their under eighteen year old children. Such donations received are neither related to nor used for Team Law's support of Team Law beneficiaries. Donations are used to help compensate Team Law for its past expenses. Our intent is to restore our original jurisdiction government and provide an education system where people learn to educate themselves so they can secure that the people never fall back into the ignorance and apathy that allowed our nation to come into the jeopardy it is in today where our Constitution is hanging by a thread. All Team Law services are provided by voluntary support from Team Law's staff. Team Law Beneficiary support would cost significantly more than what comes in from donations. Donors admit they make their donations for said purposes and not for securing Team Law benefits for anyone. Donations are not refundable.

Donors that donate $695.00 or more may nominate someone (other than the donor) for a lifetime Team Law Beneficiary Endowment by filling out the following nominee information:
